Chapter 1 by Rishika

Jessica Colton (precisely fifteen minutes before the lesson, as usual) slid on an apron and took a deep breath. It was Friday. The last period of the day. "I can do this...", she muttered as she pushed open the doors to the Art classroom. Of course, nobody was there. Apart from the teacher and...Eric Fink. "I beat you!", Eric exclaimed, looking up from his 'Art For Extreme and Advanced Child Prodigies' textbook. "Yes, Eric. I spend my whole day planning shortcuts and other strange ways just to make sure I arrive before you in a lesson", Jessica tiredly put her books down on a table as far away from Eric as possible.

Chapter 2 by intellikat

"Well, yer gonna hafta, Jessica Colton, because as it stands, I will most certainly be topping the district marks."

"Okay, let's just dial it back a notch, yes?" The teacher, Mr. Milligan, was pushing up his little spectacles and placing some materials out on the table. "We're not competing here."

Eric just gave me a little smirk and resumed his reading. The bell rang, and the other students began filing in. Mr. Milligan spoke.

"Find your seats, folks. Today we will be working with a new material. Some of you may be familiar with it, others not. I'll need you to sign the waiver sitting in front of you before we begin. Eric?"
